

Hoopschool Guidelines Summer 2020

What you can do:

1. If you feel ill or have any signs of COVID-19, stay home.
2. Wash and sanitize hands often.
3. Stay in your group of ten and observe rules regarding social distancing.
4. Bring your own drink for proper hydration and your own lunch.
5. Campers are free to wear masks if they so choose. Masks will not be provided.
6. Report any contact with a Covid-19 positive person or test to the athletic trainer.

What we will do:

1. We will provide every camper with their own basketball to limit cross-contamination.
2. We will limit each camp to 50 campers. This will mean groups of eight or nine campers plus a coach will keep groups in numbers of 10 or less.
3. Hand sanitizer will be provided.
4. NO canteen or concessions will be available. Campers need to bring their own snacks, drinks, and lunches and will eat in their group of 9-10 people with a distance not less than 6 feet from the next group.
5. Temperature screens will be done with a contactless thermometer on each coach and camper daily. Anyone who has a temperature over 100.4 must be sent home.
